A NOTE ON SOME RECENT RESULTS ABOUT MULTIVALUED MAPPINGS IN *tvs*-CONE METRIC SPACES

HUAPING HUANG, ZORAN KADELBURG AND STOJAN RADENOVIĆ

Abstract. In this paper, we improve, extend and/or complement many multivalued fixed point results in the framework of *tvs*-cone metric spaces and *tvs*-cone *b*-metric spaces, obtained in some recent papers. Several examples are given to illustrate our conclusions.
